Micro dermabrasion

Is a non invasive gentle process of accelerating crystals onto the skin's surface to abrade layers of dead and damaged skin cells. This instantly leaves the skin looking clearer, brighter and smoother. This treatment is designed to reduce the appearance of acne – scarring – skin damage – pigmentation dehydration lines and tired dull skin. Regular Treatments of micro dermabrasion will prevent the skin from building up dead skin cells and will allow for better absorption of products to increase moisture and hydration for optimum results we recommend a course of 6 treatments.

5 Treatments + 1 free technique infusion mask		540.00

Dermalift

A facial contouring and lifting treatment. Dermalift is extremely comfortable when the gentle micro currents are applied to the muscle and tissue of the face and throat, they gently stimulate those areas that have lost or seem to be losing their youthful glow and resilience. The finer lines that have formed around the eyes will start to diminish and your skin texture will take on a much fresher appearance, feeling smoother and rejuvenated.

For optimum results we recommend a series of 10 to 12 treatments.
